

**STRATFORD POLICE DEPARTMENT
PERIODIC SPEEDOMETER ACCURACY REPORT**

This is to certify that the undersigned police officers / qualified radar operators have completed a series of odometer accuracy tests using a K-55 radar unit and certified tuning forks.

Patrol Vehicle: 32- 1 License Plate #: MG 26233

TEST 1

Traveling east bound on Berlin Road at a speedometer reading of 25 miles per hour, while K-55 Radar Serial # 40443 measured the vehicles velocity in the stationary mode. Unit 32- 1 vehicle speed was measured to be 25 Miles Per Hour.

TEST 2

Traveling east bound on Berlin Road at a speedometer reading of 40 miles per hour, while K-55 Radar Serial # 40443 measured the vehicles velocity in the stationary mode. Unit 32- 1 vehicle speed was measured to be 40 Miles Per Hour.

TEST 1

Traveling east bound on Berlin Road at a speedometer reading of 50 miles per hour, while K-55 Radar Serial # 40443 measured the vehicles velocity in the stationary mode. Unit 32- 1 vehicle speed was measured to be 50 Miles Per Hour.

RADAR ENFORCEMENT REPORT

Date: 05/30/12 Shift: 0900-1100 Weather: Cloudy Vehicle # 32-8
