Dear Colleague:

On behalf of the International Association of Chiefs of Police, it is my pleasure to congratulate you on completing your certification as an IACP drug recognition expert instructor. Enclosed is your DRE instructor certificate and card. These items signify that you have met all requirements of Section II of the IACP's Drug Evaluation and Classification Program.

Under the IACP standards, your DRE instructor certification is valid as long as you maintain your DRE certification. Your state coordinator will be notified of the need to reapply for certification six months prior to the expiration date printed on your card.

State and local DRE coordinators should have copies of the document entitled "The IACP International Standards for the Drug Evaluation and Classification Program." You should read this document carefully if you have any questions regarding the IACP standards or the administration of the program.
